Culture Inspiring Art

The lively energy and brilliant colors of “Caracalla” are inspired by Arab culture and modern dance of Martha Graham. The technical prowess and visionary beauty of the dance are highlighted by cultural understanding.

Debke is widely popular community dance in Lebanon and much of Arabia. Similar to our line dances, Lebanese Debke is a workout! Class will focus on the modern double count with theatrical and Bedouin moves. Get your blood flowing as you work balance and aerobic weight changes. Learn the rhythmic feel of Lebanon. *Debke sample : featuring Mr Rahme <http://youtu.be/0Y8zuw6w2Ww>

Arab-Andalusian 10/8 songs are popular throughout the Arab world. Also known as Semaii, the feel is elegant and refined. The Andalusian music has a rich history of spiritual and cultural inspiration. Francois will work with us on one of our favorite songs as performed by Salaam. Lamma Bada Ya Ta Thanna – “When My Love Appeared” * 10/8 sample : Mr Reda’s choreography <http://youtu.be/G76dO83XGKU>
