

Kahraman Near East Dance Ensemble is proud to announce...

“Cairo in the Cornfields III”

Mahmoud Reda

Workshops and Concert

Friday, July 23rd to

Sunday, July 25th, 2010

Mahmoud Reda is a pioneer of dance theatre in Egypt. Soloist, choreographer and director of hundreds of productions, Mahmoud Reda has toured in more than 60 countries, performing on the world's most prestigious stages. He has also been principal actor, dancer and choreographer in popular Egyptian films. Mahmoud Reda is universally acclaimed for his dance with the strength and appeal of a Gene Kelly or Fred Astaire.

As a soloist, choreographer and director, Mahmoud Reda made four world tours to 58 countries with his troupe. He performed on the world's most prestigious stages such as Carnegie Hall (NY, USA), Albert Hall (London, UK), Congress Hall (Berlin, Germany), Stanislavsky & Gorky Theaters (Moscow, USSR), Olympia (Paris, France) and the United Nations (NY & Geneva). The Reda Troupe has performed for many world leaders and Heads of states.

Mahmoud Reda draws from techniques of jazz, ballet, Hindu dance and folkloric dance from the USSR. His work has shaped and influenced what is known today as Oriental Dance (Raks Sharki). Among other well-known former troupe members are master teachers Raqia Hassan, Momo Kadous, Mo Geddawi and Yousry Sharif.

Kahraman is delighted to host Reda in an extended weekend of dance, featuring workshops, discussions and performances. Join us in celebrating this VIB event! Very Important Birthday!!!
